

A Busy Bird

Carl walked outside. He looked at his favorite tree. He saw a bird in the tree.

The bird was busy. The bird had twigs in its beak. The bird put the twigs on a branch. Then the bird flew away.

It came back with more twigs. The twigs were in a pile. The pile was getting bigger.

Carl thought for a minute. Then he knew what he saw. The bird was building a nest!

Name: _____

Date: _____
